* By signing, customer agrees that custom orders are non-refundable.

- Your local standards may regulate outlet & wate requirements. See AS3500 or area regulator for details.
- Wastes longer than 1500mm are supplied in multiple segments. If required in one piece, additional freight charges apply. Longest single length with no joiner is 3000mm.

- +/- 3mm tolerance on specified measurements
- For wastes requiring 'T' Joints, corner joints or multiple outlets, please contact LINSOL for assistance.
